The state of Montana provides several veteran benefits. This section offers a brief description of each of the following benefits.

- Housing Benefits
- Employment Benefits
- Education Benefits
- Other State Veteran Benefits

Housing Benefits

Location and Function of Homes

The institutions at Columbia Falls and in eastern Montana are the Montana veterans' homes, and their primary function is to provide a home and subsistence for veterans. The department of public health and human services may also admit spouses or surviving spouses of veterans to the homes if space allows.

Montana Veterans' Home (MVH). This is a Medicare/Medicaid and Veterans' Administration certified facility with 105 intermediate/skilled-care beds and 12 domiciliary beds. It is located at 400 Veterans Dr, Columbia Falls, MT 59912. The nursing facility includes a 15-bed Alzheimer's unit. MVH has been providing services to Veterans since 1896. Most rooms are double occupancy including bath and shower facilities. Construction of the current facility began in 1970 with additions in 1974, 1984, 2002 and a remodel in 2009. The Montana Veterans' Home is located next to the Flathead River just minutes away from Glacier National Park. A large pavilion, walking paths and protected courtyards provide ample opportunities for outdoor access. The facility offers individual and group activities, spiritual services, support group services and social services. The skilled and rehabilitative services include: physical therapy, occupational therapy, speech therapy and dietitian services. Physician services are provided on site by North Valley Hospital of Whitefish. Admission to MVH nursing program is for honorably discharged veterans who have served in the armed forces of the United States and who qualify for skilled/intermediate nursing

care or domiciliary self-care living. Spouses of veterans will be admitted on a space-available basis. A veteran and spouse may be admitted together if they both qualify for nursing-home care or domiciliary living. MVH has an open admission policy regardless of race, color, creed, age, national origin, medical diagnosis or handicap. Administrative Rules of Montana, Chapter 37.45 Residents pay on the basis of their ability. The Veterans' Administration contributes toward the cost of care for each veteran; spouses do not qualify for this benefit. Cost per day is less than what is charged in most private or nonprofit nursing homes. Montana Veterans Affairs. Certain Disabled or Deceased Veterans' Residences Exempt

A residence, including the lot on which it is built, that is owned and occupied by a veteran or a veteran's spouse is exempt from property taxation if the veteran:

- was killed while on active duty or died as a result of a service-connected disability; or
- if living, was honorably discharged from active service in any branch of the armed services; and is currently rated 100% disabled or is paid at the 100% disabled rate by the U.S. department of veterans affairs for a service-connected disability, as verified by official documentation from the U.S. department of veterans affairs.

Employment Benefits

Point Preference in Hiring Veterans

Whenever a public employer uses a scored procedure, an applicant for an initial hiring, must have added to the applicant's score the following percentage points of the total possible points that may be granted in the scored procedure:

- 5 percentage points if the applicant is a veteran; and
- 10 percentage points if the applicant is a disabled veteran or an eligible relative.

A disabled veteran who receives 10 percentage points may not receive an additional 5 percentage points. Whenever a public employer uses a selection procedure other than a scored procedure, the public employer shall give preference to a disabled veteran, eligible relative, or veteran, in that order, over any non-preferred applicant holding substantially equal qualifications.

Education Benefits

Veterans' Cemetery Fee for Special Veteran License Plates

An applicant for special veteran license plates shall pay \$10 for each set issued, renewed, or transferred, in addition to any other taxes or fees applicable. Fees collected under this section must be deposited in the state general fund and transferred to the special revenue account for state veterans' cemeteries.

Vehicle Registration Fee and Veterans' Cemetery Fee Waivers

Eligible persons are exempt from the veterans' cemetery fee for two sets of special veteran license plates and all motor vehicle registration fees for two motor vehicles that are not used for commercial purposes.

Veterans' Clubhouse Exemption -- Incompetent Veterans' Trusts

A clubhouse or building erected by or belonging to any society or organization of honorably discharged United States military personnel that is used primarily for educational, fraternal, benevolent, or purely public charitable purposes rather than for gain or profit, together with the personal property necessarily used in the building, is exempt from taxation. The exemption provided for in this section applies even if a business, intended primarily for the use of the members, is required to be open to the public and is operated in a portion of the building.

All property, real or personal, in the possession of legal guardians of incompetent veterans of U.S. military service or minor dependents of the veterans, when the property is funds or derived from funds received from the United States as pension, compensation, insurance, adjusted compensation, or gratuity, is exempt from all taxation as minor's own right on account of removal of legal disability.

Hunting and Fishing Licenses

Persons with disabilities are entitled to fish and to hunt game birds, not including turkeys, with only a conservation license if they are residents of Montana not residing in an institution and are certified as disabled as prescribed by departmental rule. A person who has purchased a conservation license and a resident fishing license or game bird license for a particular license year and who is subsequently certified as disabled is entitled to a refund for the fishing license or game bird license previously purchased for that license year. A person who is certified as disabled pursuant to subsection (3) and who was issued a permit to hunt from a vehicle for license year 2000 or a subsequent license year is automatically entitled to a permit to hunt from a vehicle for subsequent license years if the criteria for obtaining a permit does not change.

State Veterans' Cemeteries
